is concerned, it is Rs. 15 lakhs. We have paid Rs. 18.85 lakhs for the land that we have purchased for the extension of the runway and naturally it will not be possible to expend more money during the current Plan period because the Plan is coming to an end and the rest of the work will have to be done in the Seventh Plan period. Naturally, the Seventh Plan will start from 1985-86 and surely we will make the provision in 1985-86 depending upon the allocation made to the Ministry for this work.
